

Comment for planning application WSCC/036/20

Application number	WSCC/036/20
Name	AMELIA SANTANA
Address	TACKLEE ROAD, 32, TACKLEE ROAD, ARUNDEL, BN18 0HB
Type of Comment	Objection
Comments	I have severe asthma and living in the countryside helps. The fumes from this facility will impact my health, particularly during winter with the cold air. It will also affect the natural environment including animals and their habitat; not too mention the effect on landscape as it is a rather large facility.
