Comm	nent for planning application wSCC/036/20
Application number	WSCC/036/20
Name	Kim Wadey
Address	MIDDLETON ROAD, 99, MIDDLETON ROAD, BOGNOR REGIS, PO22 6DW
Type of Comment	Objection
Comments	I appreciate the need to have waste disposal, but I object to the negative impact on vehicle traffic, emissions from the vehicles and the plant itself and the fact that the building will surely be an eye sore on what is currently an area of natural beauty. On a environmental level we should be looking at better ways to protect our environment not pollute it further.
