Comment for planning application WSCC/036/20	
Application number	WSCC/036/20
Name	Jo Colby Relf
Address	2 WESTGROUND COTTAGES, HORSEMERE GREEN LANE, HORSEMERE GREEN LANE, LITTLEHAMPTON, BN17 5QZ
Type of Comment	Objection
Comments	I totally object to this construction. It is a populated area and will produce massively increased traffic on the Ford road which is already heavily used by large lorries and waste disposal lorry's. The road is dangerous due to the speed they travel out and the increased pollution will be to the detriment of the local and wider population and environment. This construction will also affect wildlife with further erosion of their habitat. We do not have the ability to allow even more industrial traffic to the area. The pollution should be enough to stop this from going ahead. This is a residential area that will be affected in a detrimental way and our health.
