## Comment for planning application WSCC/036/20

Application number Name	WSCC/036/20 Mr Jerry Nelson
Address	7 WICKS FARM COTTAGES, FORD LANE, FORD LANE, ARUNDEL, BN18 0DQ
Type of Comment	Objection
Comments	The proposed building will be an ugly blot on the Ford & Yapton landscape situated in the middle of 1500 new houses. The existing population of both parishes will be rained on by fumes containing dangerous chemicals. The local road network is not fit to sustain 120 lorries per day, not to mention the noise distrurbance. Someone needs to decide - do you want to make Ford a pleasant, attractive residential area or an industrial area, with huge ugly buildings, constant belching smoke and incessant HGV traffic. You cannot combine both.
