Comment for planning application wSCC/036/20	
Application number	WSCC/036/20
Name	Julee Standen
Address	STATION ROAD, 1, STATION ROAD, ARUNDEL, BN18 0BJ
Type of Comment	Objection
Comments	i would like to object on the above application. As the new housing development will already cause chaos on the Ford road, 120 lorries A DAY, come on council We moved to Ford for a quieter life, previously to Yapton but most of the countryside there has now gone. Ford is heading the same way. The height of the proposed building will tower the skyline, what an eyesore. Our already dwindled hospitality will be further damaged by the "new view". this is a real backwards move. Our grandchildren live in the area and our one year old and five year old's both have inhalers. The list of pollutants is scary. Please, please don't be persuaded by the money this time, think of our children!!
