## Comment for planning application WSCC/036/20

Application number	WSCC/036/20
Name	Mrs Margaret Madron
Address	THE BUNGALOW, SOUTHDOWN NURSERY, OLD MEAD ROAD, OLD MEAD ROAD, LITTLEHAMPTON, BN17 7PU
Type of Comment	Objection
Comments	I object to this application because the prevailing winds will drag the fumes and dust to my property destroying the comfort of my home and property. When Mr Baird used to keep pigs at Climping some years ago the strong smell of pig manure carried on the prevailing wind used to be very unpleasant and to stop it penetrating your home you had to keep the windows shut. I am disabled and have very bad respiratory problems. This sort of development should be placed miles away from developed areas so that it has minimum impact on people's lives and well being.
