

# Comment for planning application WSCC/036/20

Application number

WSCC/036/20

Name

Bill Evans

Address

FORD ROAD, 58, FORD ROAD, ARUNDEL, BN18 9EX

Type of Comment

Objection

Comments

Absolutely not the right place for a development of this size, the chimney alone will dominate the views from every direction including the South Downs National Park only a few miles away. The main building itself is huge and unnecessary in an area of such outstanding beauty. There are enough urban brownfield sites available for this type of development with out ruining the peace and tranquility of what still remains an outstanding area of countryside.
