Comments	Please understand this monstrosity is totally unwanted in the Clymping/Ford semi rural area as it would totally physically overwhelm all the surrounding housing and be a total blot on the landscape. Having seen a similar plant near the M5 the size is staggering and not feasible within the Ford area where a 1000/1500 houses may be built. The small roads in the area can not cope with current traffic movements and the extra large vehicle journeys are totally unwarranted in the Arundel/Yapton access areas. A facility like that proposed needs to be near proper A roads or close to a motorway.
