Comn	nent for planning application WSCC/036/20
Application number	WSCC/036/20
Name	Storme Watson
Address	6 The Bungalows, Barnham Lane Walberton
Type of Comment	Objection
Comments	a terrible idea - far too huge for the area, and the rare clean air here will be polluted. re burning waste - in a carbon conscious era how could this possibly be allowed? Too many trucks with rubbish travelling to and from the centre would bring their own trouble too. Why not invest in recycling instead? other than for someones greed I cannot see how this was ever planned - anywhere!
