| Comments | At present by walking to the new Kingley gate housing estate we can enjoy a walk away from traffic and enjoy views of Arundel Castle and of the countryside which is getting smaller by the month. This would not only be a horrendous blot on our West Sussex landscape but also destroy countryside where a huge amount of wildlife reside which is also being pushed to the back of everyone's plans! Don't forget the people living nearest to this eyesore, their mental health is also at stake!! |
