## Comment for planning application WSCC/036/20

Application number Name	WSCC/036/20
Address	
Audress	Hanover House Hook Norton
Type of Comment	Objection
Comments	I object to this application on two grounds 1) The size and scale, and in particular height of the proposed building are completely unsuitable for a village environment and surrounding agricultural countryside 2. The volumes of traffic created by this development are wholly unsuitable for a small village and minor roads which will be used to access the site
