Address	DOUGLAS CLOSE, 16, DOUGLAS CLOSE, ARUNDEL, BN18 0TG
Type of Comment	Objection
Comments	Please note I object strongly to this plan it not only is inappropriate for the area but will effect every day life in a very negative way. Impact on traffic.noise, disturbance, outlook, dust , odour value of my house. The list could go on about Nd on it is to tall a building and will bea eye sight on the landscape effecting my house and garden .I can't object enough you will distort the whole of the area effecting all who live here and the plans for building houses in the future. The layout on the appearance is totally at odds with the surrounding area a Bolt on the landscape.please reconsider your action and think of the people living in the district Yours with hope for a better outcome Margaret Burton
