Comn	nent for planning application WSCC/036/20
Application number	WSCC/036/20
Name	Clare Caldecott
Address	MAY CLOSE, 5, MAY CLOSE, LITTLEHAMPTON, BN17 5TF
Type of Comment	Objection
Comments	I strongly object to having a building like this in our neighbourhood as there is more and more industrialisation around this area. We already have an excess of waste disposal lorries travelling along Horsemere Green Lane causing noise and pollution. Having an incinerator Close by near a housing development is totally unacceptable!
