Comments	In a rural area, the proposal of this building is ludicrous! An IKEA is now being built along the A27 and now you propose building this site along the A259. The consequences of traffic around this part of the south coast will be detrimental to the health and well-being of local residents, plus it will make commuting even longer and busier. Noise pollution and carbon emissions will all increase because of another irrational decision made by West Sussex County council. I am 22 years old, and I do not appreciate the area where I live, work and pay taxes in, will become as built up and busy as the city of London. Keep your plans for these areas. Not family areas along the quiet and beautiful coast such as climping. It's funny there is so many planning regulations in the U.K. yet councils can decide what.

thousands of jobs, I encourage this, but not at the expense of everybody else.

where, when and who with they want to built no matter the consequence. As a 22 old the impacts of these planning decisions will affect me for the rest of my life in a negative way. I really hope the council revises these plans- I do not want to hear that it is benefiting the community by creating
