Comment for planning application WSCC/036/20	
Application number	WSCC/036/20
Name	Nikki Baron
Address	CASTLE GARDENS, 4, CASTLE GARDENS, ARUNDEL, BN18 9AX
Type of Comment	Objection
Comments	Totally object to such a monstrosity being built in an area of outstanding natural beauty. The scale of this building would complete swamp landmarks of great cultural, economic and of local interest, including Arundel and surrounding villages/towns, the South Downs national park and the river Arun. The smoke omitted from this building will also affect the local areas and beyond. This must not be given approval.
