## Comment for planning application WSCC/036/20

Application number Name	WSCC/036/20 Vicky maxted
Address	CANAL ROAD, 11, CANAL ROAD, ARUNDEL, BN18 0HA
Type of Comment	Objection
Comments	This application is unacceptable for this area. It's too close to residential housing and recreational play areas and what's left of open walking space in yapton and ford. With the masses of housing due to be built there is even more need for healthy space for the hundreds of new residents that will be moving in to this village. There is already a terrible smell this summer frequently making life unpleasant for residents and enough traffic through the village causing more pollution and danger to residents children and pets. We moved here to be closer to countryside walks and clean air With this proposed building and construction it will definitely be harmful to the surrounding area. Please do not allow this to happen If this is allowed then who knows what else will be accepted in the future and the beautiful areas left may just disappear!!
