Comment for planning application WSCC/036/20

Application number Name	WSCC/036/20 Charley Mcadams
Address	MAY CLOSE, 7, MAY CLOSE, LITTLEHAMPTON, BN17 5TF
Type of Comment	Objection
Comments	I wish to object to this proposal for the following reasons The area does not have the infrastructure to support such a proposal This is a rural area with a large amount of wildlife , the construction of this monstrosity will lead to the demise of their natural habitat I understand that this structure will be the height of a cathedral !! This will completely ruin the aesthetics of our beautiful village We already have a number of recycling plants in the area which cause unpleasant smells and unsociable noise pollution we do not need another
