Comment for planning application WSCC/036/20	
Application number	WSCC/036/20
Name	esther Taylor
Address	EAST STREET, 1, EAST STREET, WATERLOOVILLE, PO7 4RX
Type of Comment	Support
Comments	I fully support this, this is a fantastic opportunity for business development within the area, fantastic job prospects. The environmental and economic benefits of treating waste at these type of facilities, diversion of non-recyclable waste from landfill, generation of renewable energy, moving waste further up the waste hierarchy. This will enable us to give our customers continuity of service.
