Comment for planning application WSCC/036/20

Application number	WSCC/036/20
Name	Benjamin Ireland
Address	THE HAMLETS, 16, THE HAMLETS, LITTLEHAMPTON, BN17 5RY
Type of Comment	Objection
Comments	The traffic - the number and size of the additional lorries and the impact on the local area of such a massive industrial unit. The emissions - these are still not known and how far would they reach? The visual impact - this is a vast building the size of a catherdral why would this be allowed to be built in a small residential area??? It is higher than the cathedral in Arundel??? This is an appalling idea and seriously needs to be addressed!
