Type of Comment	Objection
Comments	I am total opposed to this building. It will be out of character for the area. It will dominate the skyline. Have a large impact on the traffic in the surrounding villages in an already conjested area. The roads won't cope with the amount of traffic. Also I believe it will cause pollution once it's built on a scale like Chernobil if they crush concrete that has asbestos in it. NO NO NO. Please do not let this go ahead
