Comment for planning application WSCC/036/20

| Application number | WSCC/036/20 |
|-----------------------|---|
| Name | Karen Read |
| Address | PARSONS WALK, 16, PARSONS WALK, ARUNDEL, BN18 0PA |
| Type of Comment | Objection |
| Comments | Whilst I agree there is probably a need and it has to go somewhere, the developers need to be a lot smarter with how such facilities work with the surrounding landscape. Advanced technology needs to be used to overcome the need for such a high chimney which can only present itself as eyesore. In addition air quality cannot be sacrificed in exchange for green energy. |
