Application number	WSCC/036/20
Name	Helen Bates
Address	MAYFIELD, AVISFORD PARK ROAD, AVISFORD PARK ROAD, ARUNDEL, BN18 0AP
Type of Comment	Objection
Comments	These plans will have a damaging impact on health, wellbeing and environment and make no sense whatsoever . My family and I protested against the Ford eco town and many of the concerns we held at the time are equally relevant to this plan-think again and do the right thing.
