Comn	nent for planning application wSCC/036/20

Address	BLENHEIM ROAD, 3, BLENHEIM ROAD, ARUNDEL, BN18 0HH
Type of Comment	Objection
Comments	This project is wholey unacceptable for a residential area, with many more houses planned next to this site there seems to be no future plans to improve the infrastructure to accommodate the increase in traffic for a large scale industrial unit in addition to the housing. I am extremely concerned about the impact of chemicals released through the processing of waste and the visual impact of the tower in the local area. Being an area only just outside the south downs national park it seems that this is entirely out of keeping with what is a rural community.
