Name	<input type="text" value="Pauline Blumer"/>
Address	<input type="text" value="1 Henty Close, Walberton, West Sussex"/>
Type of Comment	<input type="text" value="Objection"/>
Comments	<input type="text" value="Surely this beautiful area cannot be spoiled any further by the addition of this structure, not only from the visible aspect but also the impact of pollution so close to the new proposed housing development from the incinerator but from the extra heavy traffic polluting and increased heavy lorries on the already crowded roads. This facility should be built as far away from housing as possible and not in our back yard."/>
