Comment for planning application WSCC/036/20

Application number Name	WSCC/036/20 Dee Heppenstall
Address	JUNCTION CLOSE, 4, JUNCTION CLOSE, ARUNDEL, BN18 0TE
Type of Comment	Objection
Comments	I completely object to this application. It is definitely not suitable for the area which is right next to a residential area, also will be opposite the new housing estate planned to go on Ford market. Including a school and community centre. Where there will be more families children and elderly who will be at risk. Which will cause poisonous fumes, smell and noise. No one will feel safe sitting in their gardens or have their windows open. Particularly hot sunny days. This will also have a devastating impact on the housing market in this area. Home owners will lose out. There is also the consequence of all the traffic generated by all the lorries, approximately 120 per day producing carbon monoxide. This is MADNESS and should not be allowed to happen. There is also the impact on the natural environment including the birds etc. This is totally unsuitable for this area and will have a devastating effect on everyone living here. It is TOO CLOSE to our existing residential and proposed housing at Ford market. I hope to goodness this does NOT get the go ahead. Dee Heppenstall 4 Junction Close,Ford BN18 0TE
