Comment for planning application wscc/030/20	
Application number	WSCC/036/20
Name	Phyllis Kirk
Address	PENFOLDS PLACE, 15, PENFOLDS PLACE, ARUNDEL, BN18 9SA
Type of Comment	Objection
Comments	I object to this application. The structure is too high/large for this site, totally wrong. This is a rural area but It seems there is a determination to turn Ford into an industrial site. The road system is completely unsuitable for the traffic already travelling in and out of Ford, especially the Arundel end of Ford Road which is gradually grinding to a halt , the size of HGV's using this road is ridiculous, although we were previously told by the Council the traffic wouldn't increase, it has and they have done nothing to improve the situation, the pollution levels must be beyond high. It's about time consideration was given to the residents in this area.
