Comment for planning application WSCC/036/20

Type of Comment	Objection
Comments	Absolutely unacceptable, with noise levels and construction already underway throughout Climping this monstrous incinerator would just be so overwhelmingly huge and disproportionate to the area. The noise pollution, sound pollution and absolute size of if is ridiculous! It's going to be larger than Chichester Cathedral! In Climping! enough is enough and we need to stop this now. The effects on the wildlife and our own lives will be significant. My children both have asthma, there is no doubt this will effect the cleanliness of the air so it just doesn't make any sense.
