Comm	ient for planning application wscc/030/20
Application number	WSCC/036/20
Name	Angela English
Address	THE FARMHOUSE, EASTERGATE LANE, EASTERGATE LANE, ARUNDEL, BN18 0BA
Type of Comment	Objection
Comments	I would like to object. My reasons being are firstly the visual impact on our beautiful countryside, to be told that it will be slighly smaller than the Battersea Power Station is awful! The South Downs will be shadowed by this 'carbuncle' structure! The distress it will cause for all those living near by will be catastrophic and the ramifications it will cause to all the parishes in that area will be damaging for many generations to come. The air quality in our villages will drop due to its gaseous discharges and at a time when COVID-19 has such a grip of this country as clean air is at the top of everyones pirority. Please think again before this monstrosity, unslightly blot on the landscape gets built.
