Comm	ent for planning application WSCC/036/20
Application number	WSCC/036/20
Name	Yvonne Coleman
Address	5 Castlereagh Green Felpham
Type of Comment	Objection
Comments	Totally unacceptable to blot our landscape with this over sized structure. Waste is burnt elsewhere in the country without the need for such a tall chimney. Also what is the effect on the area from the pollution sent out into the atmosphere ?
