Comn	nent for planning application wSCC/036/20
Application number	WSCC/036/20
Name	Mrs Rachel E Robinson
Address	Rookery Barn Tortington Lane Arundel
Type of Comment	Objection
Comments	The size of this incinerator is immense and will be a complete eyesore to be seen from miles around. The surrounding area is an area of outstanding natural beauty where many people come to enjoy the views from the South Downs. An incinerator of this size will dominate the landscape and spoil the beautiful countryside and views. Further more the proposed site is very close to residential developments with road networks that will not support the 240 HGV movements per day.
