Comment for planning application WSCC/036/20

Application number Name	WSCC/036/20 simon black
Address	THE HAMLETS, 23, THE HAMLETS, LITTLEHAMPTON, BN17 5RY
Type of Comment	Objection
Comments	An incinerator of this scale should not be built on Ford Airfield. It is too near to residential developments and the surrounding road network is not suitable for 240 HGV movements per day. This building will the biggest building in this coastal area and be visible for miles, particularly from the National Park and Arundel. Lastly the prevailing wind is from the South-West and therefore any pollutants will be carried from the plant to the highly populated town of Arundel. Best regards Simon
