Comm	nent for planning application WSCC/036/20
Application number	WSCC/036/20
Name	Tim Breden
Address	BERNARD ROAD, 2, BERNARD ROAD, ARUNDEL, BN18 9EP
Type of Comment	Objection
Comments	My concerns are that whilst there is a significant eyesore to take the fumes and carcinogenic elements into the air they will impact on the local environment, ie Littlehampton, Climping & Rustington and also the area is a sound area for additional housing but who'd want to live near this?
