Comments	Yapton and Ford is being changed beyond belief. Alongside all the housing that will change our landscape forever and the ever increasing creep of the growing industrial Estates, and noise and traffic from this this is just not fair to those of us that have lived here for years. I cannot afford to move and do am scared for mine and my children's physical and mental health as you destroy the very reasons why we chose to live here. How can you think this monstrosity so near to so many homes is an option!!!?? Leave us alone. You have done enough damage to our village. I strongly object!!
