Comment for planning application WSCC/036/20

Application number Name	WSCC/036/20
Name	Peter Charles Waring
Address	MALTRAVERS STREET, 77, MALTRAVERS STREET, ARUNDEL, BN18 9BQ
Type of Comment	Objection
Comments	While the idea of an energy recovery facility is not in itself a bad thing this application is in the wrong place. This huge site would be a blot on the landscape particularly as it is so close to the South Downs National Park. Also to plan an enormous amount of housing near this site is complete madness, it will put a big strain on an already overcrowded part of the country. I would urge the Council to deny the application.
