Comn	nent for planning application wSCC/036/20
Application number	WSCC/036/20
Name	H M BARRIE
Address	KINGSHAM AVENUE, 15, KINGSHAM AVENUE, CHICHESTER, PO19 8AW
Type of Comment	Objection
Comments	I am very much against this planning application for a number of reasons It is for a substantially bigger development than previously applied for - This is an industrial building in an area of outstanding natural beauty that stands higher than the iconic Chichester Cathedral spire and has no place in the landscape - It is too near to residential properties - The local road infrastructure is already overburdened and will be further compromised by both construction traffic and the ensuing daily ebb and flow of trucks delivering incoming waste - The noise from construction, traffic and ongoing operations - The negative impact of construction and operations on flora, fauna and the local environment
