| Comments | 1. There is a great danger that heavy traffic will choose to use Ford Road for access or departure, which will only make a very poor traffic situation much worse. 2. On the subject of traffic, the enforced imposition of new housing aroung Yapton, Arundel elsewhere in the region already makes delays certain as there is no sign that the Arundel bypass is any further ahead. 3. New housing on the edge of Arundel will have the very high chimney in view, as will the existing houses at Ford, and future developments elsewhere. |
