## Comment for planning application WSCC/036/20

Application number	WSCC/036/20
Name	Alex Stephens
Address	APPLE BARN COTTAGE, GREVATTS LANE, GREVATTS LANE, LITTLEHAMPTON, BN17 5RE
Type of Comment	Objection
Comments	The roads cannot support more large lorries, the turning onto the A259 is already overloaded in rush hours and the narrow roads in Arundel ontp the A27 are a nightmare. Additionally, even with the best scrubbing on the emissions there will be harmful micro-particle raining down on the locally evironment, poisoning the families. Build incinerators in the middle of nowhere not near populations
