## Comment for planning application WSCC/036/20

Application number Name	WSCC/036/20 Tim Bulwer
Address	MANT CLOSE, 9, MANT CLOSE, LITTLEHAMPTON, BN17 5TD
Type of Comment	Objection
Comments	I wish to object for the following reasons: 1. Traffic impact. Possibly hundreds more heavy lorries coming and going, many from outside West Sussex. 2. Road access. Church Lane is wholly unsuited to this type and volume of traffic, being a narrow unclassified road running through the heart of Climping village. 3. Proximity to existing and proposed residential housing. 4. Visual impact. It will be detrimental to the wider rural and semi-rural areas over a considerable distance. 5. Emissions. Likely to have a significant impact on surrounding areas caused by vehicles and emissions from the plant itself. 6. Safety. A potentially hazardous operation close to three villages with the attendant risk of fire or explosion. Conclusion. This a totally unsuitable site for a plant of this size, scale and type of operation.
