

Comment for planning application WSCC/036/20

Application number

WSCC/036/20

Name

Jan James Fowler

Address

5 THE MANOR HOUSE, TORTINGTON MANOR, FORD ROAD, FORD ROAD, ARUNDEL, BN18 0FA

Type of Comment

Objection

Comments

I object to the creation of a waste management facility on the basis that the structure will be an eyesore visible from a large distance surrounding the plant. Furthermore the structure proposed is totally out of character with the surrounding villages and countryside. I also object to the traffic which will be generated by the heavy vehicles driving to and from the facility. Ford Road is already busy and dangerous with existing travel levels. I understand up to 120 such vehicles will be required PER DAY to service the facility. This is an unacceptable increase in traffic levels and will cause damage to the existing road infrastructure which is arguably at maximum capacity already. Finally the burning of rubbish on such a large scale will inevitably cause massive amounts of unsocial consequences to neighbouring villages and rural areas to say nothing of the serious risk to the health of those living close to the site.. Locating a waste management facility in a rural area of outstanding beauty and which is populated by many rare and endangered species plus a large population of livestock is at best a questionable action and at worst will cause immense damage to the animal, fauna and flora within a large area surrounding the proposed site.
