## Comment for planning application WSCC/036/20

Application number Name	WSCC/036/20 Barbara Bateman
Address	LEWIS LANE, 20, LEWIS LANE, ARUNDEL, BN18 0TY
Type of Comment	Objection
Comments	We are appalled that this is even being considered as it will be an eyesore for miles around. The infrastructure would not cope with the amount of traffic it would generate also the noise and the smell. It would have a detrimental impact on our house prices should we want to move as no one is going to want to purchase a property with that monstrosity built so close to what is a lovely village. We already have far to many new builds in he housing market which is causing lots of extra traffic. It will also have an effect on trees and the wildlife . This could also effect some of the historical sites in the area Arundel Castle being one that I really close. The size of the building is going to totally spoil the view that we currently enjoy of the Southdowns. No thought or consideration for any one who lives in the vicinity.
