Comment for planning application wSCC/036/20	
Application number	WSCC/036/20
Name	Nigel Buck
Address	LANGBURY LANE, 38, LANGBURY LANE, WORTHING, BN12 6PX
Type of Comment	Objection
Comments	I object to this application not only the visual impact of such a large building, but also on the environmental damage of the amount of toad traffic generated on the already overcrowded roads. In addition there is the additional unseen environmental and health issues of the emissions. Attached photo of the plume impact of the Newhaven incinerator and the vast area affected by this on an average day. Bearing in mind the prevailing wind is South/South West in this area. This will mean a large portion of the coastal population will be affected.
