Comm	ient for planning application wSCC/036/20
Application number	WSCC/036/20
Name	David Huntley
Address	WEST FRONT ROAD, 35, WEST FRONT ROAD, BOGNOR REGIS, PO21 4SZ
Type of Comment	Objection
Comments	Do we need such a large facility? Will it not detract from Ford as a site for development and encouraging people into strategic development sites on a partially brownfield site and take the pressure off Yapton and Barnham which are getting overwhelmed with development. I presume the new plant will have the latest anti pollution filters? Is a chimney taller than Chichester cathedral necessary if it is not going emit pollutants?
