## Comment for planning application WSCC/036/20

Application number Name	WSCC/036/20 Annamarie Bayley
Address	128 Bayford Road Littlehampton West Sussex
Type of Comment	Objection
Comments	I object wholeheartedly to this being erected so close to my home town. My main reasons are the level of toxicity the fumes will create, not only in Ford but Littlehampton, Yapton, Arundel to name a few. My children go to school in Arundel and we travel along the main Ford Road twice a day from Littlehampton. Not only will extra traffic make that journey more difficult, my main concern is the incinerator fumes will be blown into the surrounding areas that will have a direct impact on my family. I also object to it creating heavier traffic on an already busy road, as lorries travel to and from the site.
