Comment for planning application WSCC/036/20

Application number Name	WSCC/036/20 Geoffrey & Sheryll Sadle
Address	WOOLDRIDGE WALK, 10, WOOLDRIDGE WALK, LITTLEHAMPTON, BN17 5TB
Type of Comment	Objection
Comments	We wish to object to this application some of the reasons as follows:- The Traffic impact on Church Lane as we understand there could be 120 lorries in and 120 out per day. The traffic situation around Climping is already ridiculous any increase will only make make matters worse. There will be a conflict as the site will be close to the Ford proposed 1500 houses development. Visual impact: the incinerator (height over 80 metres) will be detrimental to the wider area over a considerable distance. Emissions: unknown impact from gas, smells or other noxious substances on surrounding areas. Safety: in the event of a plant breakdown , fire or other catastrophic event. To conclude : this is a totally unsuitable site for a plant of this size, scale and type of operation.
