Comment for planning application WSCC/036/20	
Application number	WSCC/036/20
Name	Fiona Johnston
Address	MOORHEN WAY, 21, MOORHEN WAY, BOGNOR REGIS, PO22 9DA
Type of Comment	Objection
Comments	I absolutely object to the construction of this eyesore. The chimney will be massively intrusive into the surrounding countryside, as will the mammoth site. It is on the edge of the South Downs National Park and will wreck the beautiful views from there to the sea. It will I'm sure also create vast amounts of industrial traffic which our infrastructure and roads silly cannot support. Please don't approve this absolute monstrosity!
