Comment for planning application wscc/036/20	
Application number	WSCC/036/20
Name	Christopher Weymouth
Address	PALM COTTAGE, BURNDELL ROAD, BURNDELL ROAD, ARUNDEL, BN18 0HT
Type of Comment	Objection
Comments	I object to the sheer size of the construction on the flat coastal plain I object to the disruption dust and noise over the years of construction. I object to the additional industrial traffic on out local roads I object to the loss of sunlight to a vast area around the proposed building I object to this application being in the middle of the proposed Ford housing development. The new houses will be blighted by it I object to the short period of time given to the public to contest this development. The whole project is unacceptable to normal human beings and should have been thrown out before Councils money was wasted on it. Where is the professional integrity of our Council?
