Comment for planning application WSCC/036/20

Application number Name	WSCC/036/20 Silvana Cotterill
Address	APPLE TREE WALK, 14, APPLE TREE WALK, LITTLEHAMPTON, BN17 5QN
Type of Comment	Objection
Comments	Strongly object to the Incinerator being constructed for the following reasons: The Traffic impact such a construction would attract each day Road Access; Church Lane is wholly unsuited to this type of traffic as it is classed a narrow unclassified road at the heart of Clymping Village Proximity to existing and proposed residential housing Visual impact: It will be detrimental to the wider area over a considerable distance and visible for a great distance throughout the area Emissions: Unknown impact from gas, smells or other noxious substances on surrounding areas Safety: In the event of a plant breakdown, fire or other catastrophic event Conclusion: This is a totally unsuitable site for a plan of this size, scale and type of operation There seems to be a concerted effort by the Local Authority to totally destroy the Village of Clymping and whilst we who object feel very strongly about this proposal we have no confidence in the Planning Authorities to pay any attention to what our concerns are, just as they have done in the past. Please give us a breakyou are killing us!
