Comment for planning application WSCC/036/20

Application number	WSCC/036/20
Name	Ann Murfin
Address	PARK DRIVE, 28, PARK DRIVE, ARUNDEL, BN18 0JF
Type of Comment	Objection
Comments	I am concerned about the large increase in lorries this will bring into the area on a daily basis. Proposed access for these lorries is wholly unsuitable as well as the close proximity of existing residential houses and proposed house in the area. This structure would be a blot on the landscape with potentially harmful emissions.
