Comm	nent for planning application WSCC/036/20
Application number	WSCC/036/20
Name	Carol Birch
Address	BLONDELL DRIVE, 23, BLONDELL DRIVE, BOGNOR REGIS, PO21 4BN
Type of Comment	Objection
Comments	I object to this on the basis that it will increase CO2 emmissions at a time when they need to be reduced. Particular matter will be distributed in the area at a time when the dangers of this are becoming more apparent. It will increase transport in the area. It will have a detrimental affect on a relatively unspoilt valley We should focus on reducing the production of waste.
