Comm	nent for planning application WSCC/036/20
Application number	WSCC/036/20
Name	dave barry
Address	BROOK COTTAGE, BROOK LANE, BROOK LANE, PULBOROUGH, RH20 1LS
Type of Comment	Objection
Comments	i object , due to the size of the chimney and the lorry movements and that the ford railway crossing , is so busy ie , always down NO MORE TRAFFIC The surrounding road structure is not sustainable to accommodate heavier, larger lorries which will be used when the plant is built. "The environment and health of the surrounding community is at risk too.
